

Let your co-workers know...

Fall FOCUS 2013 is available virtually!*

Hosted by University of Mary Washington
November 13th & 14th, 2013

Left someone back at the office?

They can join us for fall 2013 FOCUS sessions in a webinar format. Have them attend from the convenience of their office, or they can gather a group around the conference table.

Log in and watch real-time presentations online for free, or listen by teleconference for the cost of a long distance phone call.

Pick the individual sessions to attend!

To Register: Have them go to <http://www.focusva.org> and click on **FOCUS On-Line**

Note: Some sessions are for FOCUS institution members only or services may be limited to attendees due to presenter request.

*Online attendance does not qualify for CPE credits.
