

2023-2024 Estimated Cost of Attendance International Undergraduate Commuter Students

An increase of approximately 2-4% for each succeeding academic year should be anticipated.

Estimated Cost of Attendance (per Academic Year)	
Tuition & Fees	\$31,879
Meal Plan (Commuter – 30 block +\$250 flex)	\$1,044
Housing (uses Financial Aid's Housing Allowance figure)	\$8,440
*Health Insurance (mandatory)	\$450 - \$1,815
New Student Orientation	\$400
Books & Supplies	\$1,000
Personal (clothing, telephone, transportation, miscellaneous expenses)	\$1,000
Total	\$44,213 - \$45,578 (per year)

PROOF OF FINANCIAL SUPPORT: Students are required to demonstrate financial ability to pay for at least one year of academic and living expenses. Your enrollment deposit must be paid before an I-20 is issued by UMW. Financial documents must be in English showing available liquidable funds and cannot be older than three months. Examples of appropriate documents may include:

- Bank letter specifying the account holder, date, monetary currency, and amount of funds available. The letter cannot simply state the client has “sufficient funds.” Letters must be on official bank stationery, stamped and signed by a bank official.
- Bank statements must show name of account holder, total available balance, and be on official bank stationery. An on-line screen-shot or print out is acceptable, as long as these elements are included.
- Funds must be liquid (readily converted into cash)
- If a U.S. citizen or U.S. permanent resident is providing all or partial support, an I-134 Affidavit of Support is required. The I-134 can be found at <https://www.uscis.gov/i-134>. Submit the completed I-134 to the CIE office.

* Insurance rates are based on age and athletic involvement.

IMPORTANT ADDITIONAL COSTS: Students should be able to meet the following costs as they apply to their particular situation:

1. Travel expenses between home country and U.S. during vacation periods, including airport shuttles to and from airport
2. Large purchases (such as computers, furniture, etc.)
3. Medical expenses not covered by insurance (eye care, dental care, medical problems developed before arriving at the university, i.e. “pre-existing conditions”)
4. Additional summer expenses (such as summer school)

FAMILY EXPENSES: Married students who plan to bring their families should add at least \$5000 for their spouse and \$4000 for each child per year to their annual living expenses.
