Bachelor of Science in Nursing - BSN Completion Program

Concurrent Enrollment

All of the Virginia Community College System & University of Mary Washington

CCNE ACCREDITED

University of Mary Washington
Nursing

This plan is designed for students in the Germanna Community College nursing program and all VCCS students who intend to transfer to the BSN Completion Program at UMW.

Benefits of Concurrent Enrollment for BSN at UMW:

- Can take summer session classes at UMW before you graduate with your AAS
- Part-time tuition rates apply for UMW summer sessions
- **GUARANTEED ADMISSION** to the BSN Completion Program when an AAS degree is obtained

Requirements for Concurrent Enrollment:

- Maintain a 2.50 GPA
- Complete the Concurrent Enrollment Process
- Meet with a UMW Nursing Advisor and register for classes

Concurrent Enrollment
SCAN CODE FOR MORE INFORMATION

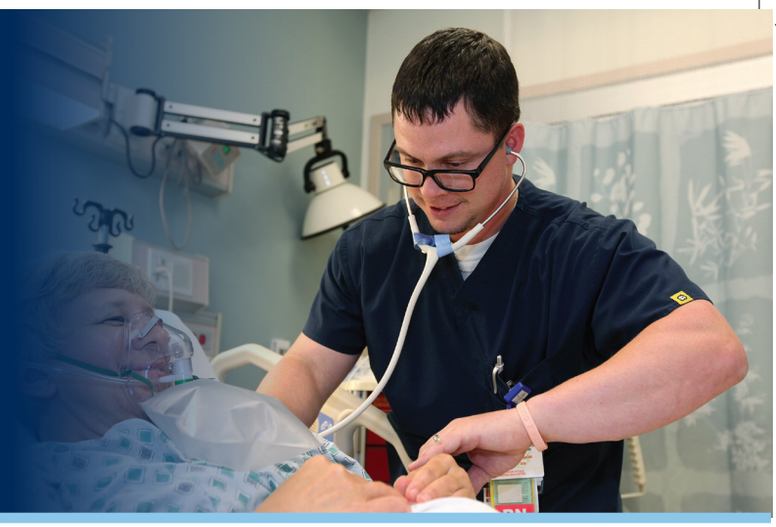

Classes you can take in the summer(s) as a UMW pre-BSN student.

Bachelor of Science in Nursing - BSN

BSN Completion Program (RN-BSN)

The BSN Completion Program (BSN-C) is designed for a licensed RN who holds an associate's degree in nursing from an accredited university/college or diploma nursing program. The program prepares the nurse to identify and improve patient care within a complex healthcare system, to assume more vital roles within the medical profession, and to continue their nursing education to the graduate level.

Application Process:

- Go to **umw.edu/apply** and fill out application
- Application deadlines for transfer students are April 1st for Fall, October 15th for Spring & March 1 for summer
- Take pre-requisites below and maintain 'C' or higher in all courses
- Take NCLEX-RN and transfer in license to UMW

BSN Completion Program
